

Capabilities Statement

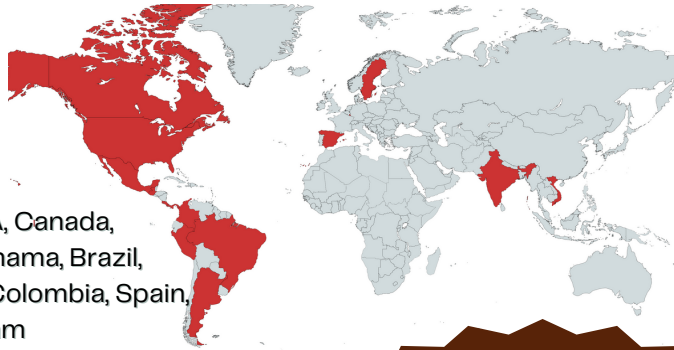

At Halcyon, we pride ourselves in our **relationship-driven** approach to the IT consulting and recruiting industry. We seek happiness not only for our clients, but our customers and employees. With tech talent recruited in 15 countries and over **30 years of experience**, you can depend on best-in-class service. Our focus has been and will continue to be an investment in people, capabilities, and intellectual assets to stay ahead of the curve. We aim to deliver the very best in IT talent and consulting for private, public and federal sector clients since 1992.
